To our Veterans,

As funeral directors, we are honored to serve those men and women who have protected our freedom both today and in wars past. In Pierce County, no other funeral home comes close to our level of dedication and commitment to detail. We honor and pay due respect to those who have served our country.

Directors and Staff of Gaffney Funeral Home

Veteran Tributes

How we Honor, Recognize and Pay Respect to our Veterans:

- Our Tribute begins with the first call - Transfer of Veteran into our care with flag draped stretcher.
- Funeral Transfer Vehicle is identified with the flag of our country and the emblem of the Veteran's branch of service.
- Patriot's Walk – A double row of flags from the drive way where the funeral coach will stop, to the graveside thus creating a Patriot's walk in honor of the Veteran.
- Honor Guard – In most communities, the Veterans of Foreign Wars VFW, and the American Legion Posts maintain a volunteer group of Veterans to serve as an Honor Guard. These dedicated Veterans will provide a Final Salute to a Comrade and will be honored to arrange that for you.
- Completing and filing of all Federal and County paperwork to insure that the family of a Veteran receives any available benefits.
- Presidential Memorial Certificate – We procure one such certificate for every surviving spouse and child of a Veteran.
